Welcome to St. Joseph's Secondary School, Castlebar Co, Mayo.

Planning your child's pathway in education is one of the most important decisions one needs to make as a parent. I am sure you will find this prospectus informative and helpful in enabling you to make wise decisions about your daughter's future. This prospectus is designed to give you a feel for the many great things that are happening every day in our school. In St. Joseph's, we enthusiastically prepare students for the challenges of tomorrow, particularly through our curriculum choice, with its emphasis on new technologies, the sciences, continental languages and the broad arts.

With your support, we will strive to motivate and encourage your daughter to achieve her full potential. This will be realised through our excellent teaching, wide and varied curriculum and commitment to the Arts, together with our sincere dedication to your child's social and personal development. I am confident that should you choose to send your daughter to St. Joseph's, that on completion, she will look back on her time here as the most enjoyable and productive experience of her life. I look forward to working with you towards the realisation of your daughter's dreams!

Maria Mac Cabe.

Principal

St. Joseph's Secondary School Mission Statement

Ann Farrell
Deputy Principal

St Joseph's Secondary School is a Voluntary Catholic Secondary School under the trusteeship of CEIST – Catholic Education – an Irish Schools Trust.

We aim to provide holistic Christian Education in co-operation with staff, students, parents/guardians, Board of Management and the community.

We work to create equality for all in an atmosphere of mutual respect.

We strive for excellence in learning and endeavour to help each student to reach her full potential in a positive, caring and happy environment.

Curriculum

"Education is not the filling of a pail, but the lighting of a fire"

W.B. Yeats

LEAVING CERTIFICATE VOCATIONAL PROGRAMME

The Leaving Certificate Vocational Programme provides students with the opportunity to realise their potential for self-directed learning, for innovation and for enterprise. Students follow this programme as part of the Leaving Certificate. It is currently available to students who select particular combinations of Leaving Certificate subjects.

STUDENT PROGRESSION

On average 90% of our students secure places in universities, institutes of technology, teacher training colleges and PLC colleges. This figure is significantly above the national average. Each year a number of our students are awarded University Entrance Scholarships. We are proud of our past pupils and they are always welcome back to visit our school.

EXTRA CURRICULAR

At St. Joseph's Secondary School we offer a wide variety of extra curricular/co-curricular activities. These activities expand our students' experience which enhances their learning and contributes to a well-rounded education.

- Royal blue t-shirt
- Navy tracksuit bottom

Mentoring Programme for 1st years

Our mentoring programme enhances and develops the existing induction process for 1st year. Mentoring provides an opportunity for the mentoring students to develop leadership skills while helping first year students to develop a sense of what it means to be part of the school community in St. Joseph's. It also helps first years adapt to day to day life in a new school. Mentors mind our first years.

Student Council

The student council is elected each year by their peers. The council is a representative structure for students only, through which they can become involved in the affairs of the school, working in partnership with the management, staff and parents for the benefit of the school and its students.

SCHOOL PARTNERSHIP

We in St. Joseph's work in partnership with our Board of Management, Parents' Association, Students' Council, trustees and the wider community to ensure that every student in our school receives the best possible education.

Board of Management

The school is managed on behalf of the Department of Education and Skills by the Board of Management. Its members are teachers, parents and representatives of our trustees CEIST.

Parents' Association

The school has an active Parents' Association that supports all aspects of school development. It meets regularly and consults with the school principal, teachers and students.

Students' Council

The contribution of our pupils is also appreciated through our vibrant Students' Council. Each class elects a representative who actively participates in the affairs of our school under the leadership of their Chairperson. They play a central role in the following:

- Supporting management and staff in the development of the school.
- Representing the views of students on matters of concern to the student body, thereby influencing school policy.
- Enhancing the school environment and promoting respect and co-operation between students.

Home School Links

Every effort is made to maintain contact with the student's home through Parent/Teacher Meetings, Parent/Teacher Appointments, Student Academic Reports, Student Journal, Newsletters, School Year Book, Information Sessions, Parents' Council activities, text messaging and through other formal and informal gatherings.
